

A lightweight, ultra strong ramp, the ideal solution to provide access to buildings for either residential or commercial applications. The Portable House Ramp is easy to position, handle and transport, it has a unique slip-resistant surface and a quality paint finish. Available in standard lengths between 500mm to 2500mm. Alternatively we can manufacture to your specific requirements

Optional Locking Storage Device available

The ideal temporary solution to provide access when and where you need it. Perfect for wheelchairs and scooters giving a safe passage for both users and carers.

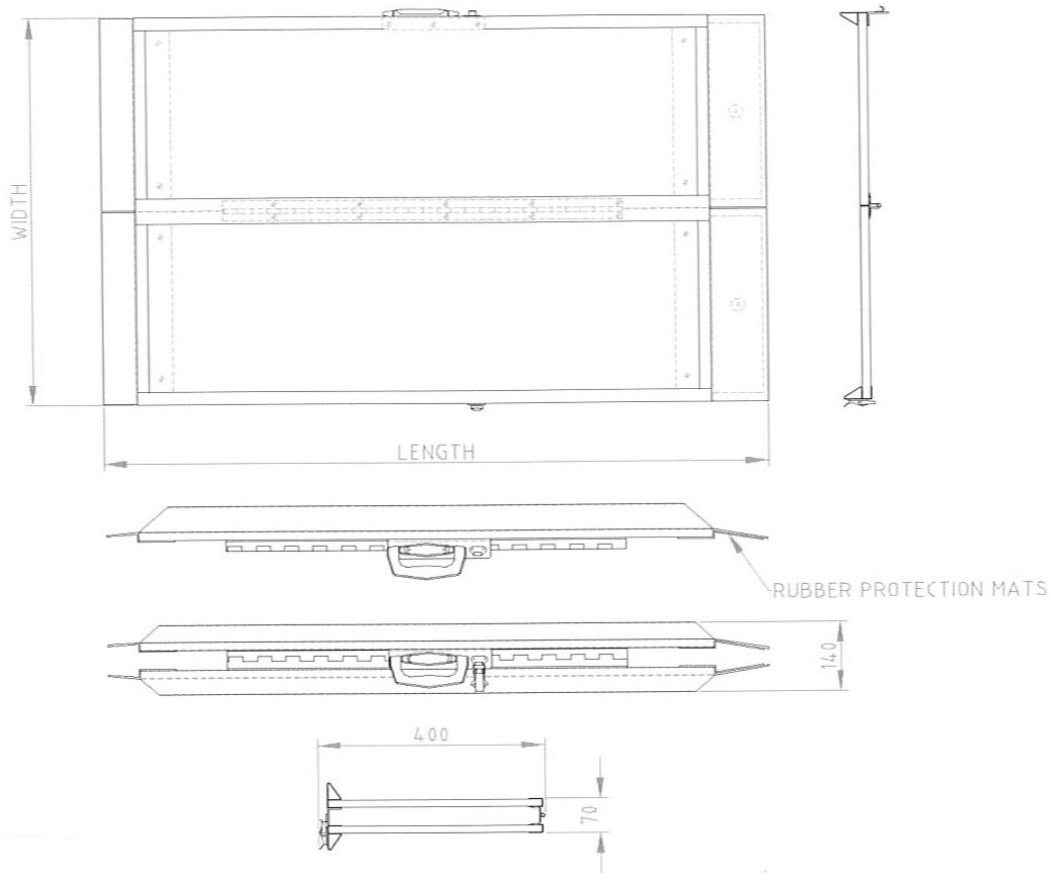

...providing **access** where you need it
