

A lightweight, ultra strong ramp, the ideal solution to provide access to buildings for either residential or commercial applications. The Trio Ramp is the most compact of our folding ramps, is easy to position, handle and transport, has a unique slip-resistant surface and a quality paint finish. Available in standard lengths between 500mm to 2000mm. Alternatively we can manufacture to your specific requirements

A three-panel folding ramp, which when folded is compact to transport and store. An alternative to our portable folding house ramp. Perfect for wheelchairs and scooters giving a safe passage for both users and carers.

...providing **access** where you need it
