

Fixed Channel Ramp Portable Solution

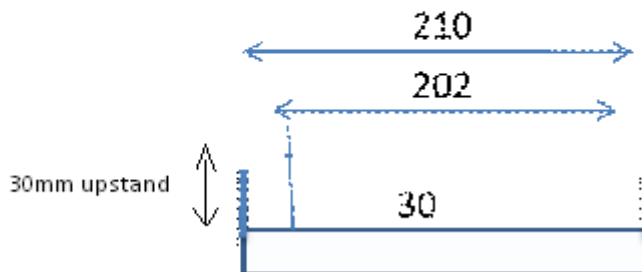

A pair of lightweight, ultra strong fixed Channel Ramps, the perfect answer to the problem of moving wheelchairs and scooters up steps and door thresholds. Easy to position, handle and transport, it has a unique slip-resistant surface and a quality paint finish. Available standard lengths between 610mm to 1525mm. Alternatively we can manufacture to your specific requirements.

Ultra lightweight ramps, quick and easy to deploy. Perfect for wheelchairs and scooters giving a safe passage for both users and carers

...providing **access** where you need it
