

Door Wedge Ramp

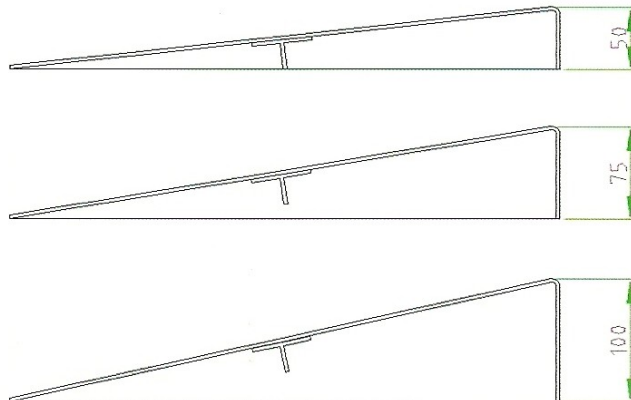

Portable Solution

An ultra lightweight , wedge shaped ramp designed to allow wheelchair and scooters to overcome thresholds, Patio and French doors. Used in conjunction with any of the portable ramps within our range, the door wedge is the simple cost-effective solution . Available in three standard heights 50mm, 75mm and 100mm or alternatively manufactured to your specific requirements

The neat accessory to overcome UPVC thresholds, Patio and French doors. The Door Wedge can be left in place, providing an ideal solution for both wheelchairs and scooters, and giving a safe passage for both users and carers.

Door Wedge Ramp
