LEADING ACCESS SOLUTIONS

Flat Panel Ramp
Portable Solution

A lightweight, ultra strong ramp, the ideal solution to provide access to buildings, either residential or commercial applications. The Flat Panel Ramp is easy to position, handle and transport, it has a unique slip-resistant surface and a quality paint finish. Available in standard lengths between 500mm to 2500mm. Alternatively we can manufacture to your specific requirements

A one piece single panel ramp an alternative to our portable folding house ramp. Perfect for wheelchairs and scooters giving a safe passage for both users and carers.

BHTA British Healthcare Trades Association

OFT Approved code

…providing **access** where you need it
